RMZ-1215-G13

Ethernet measuring Gateway

rmoni
Quality. In Control

Type	RMZ-1215-G13
Applications	Food Healthcare & Pharma
Sensors	4 digital probes EE type TDIG (temperature) or RHDIG (humidity)
Connector	10 Pole Phoenix connector
Operating temperature	-10°C to +40°C
Storage temperature	-40°C to +55°C
Memory	~6.500 samples
Power	12/24V DC power via cable (EU and International power plug versions available)
Interfaces	Ethernet RJ45
Protection class	IP 40
Housing	Polycarbonate, UV stabilized
Dimensions	81x80x55 mm
Weight	500 g (including adapter)
Certifications	Conforms to standard EN12830 for HACCP

All specifications in this document are subject to change without prior notice
